After the ‘Trailer of Trailers’ becomes available on September 16th, attendees will have 4 hours 30 minutes to start watching, and can view the video for the next 24 hours. The 8:00 pm livestream can be viewed anytime until September 16th at 11:30 pm.

Join us at this event to get first access to #EOFF2020's official program, schedules, film details and pass purchasing. This event will additionally work to test our new online delivery platform for this year's festival. It will serve as an opportunity for attendees to provide EOFF with feedback and suggestions so we can make the experience perfect in October! Those who attend will learn about special programming components and opportunities to support EOFF as it moves into The Liberty Theatre next year, and will receive a special discount for this year’s festival pass.

#EOFF’s promotional trailer is cut to a single from La Grande, Oregon’s homegrown metal band - NOGERO. Their track, ‘Nazi Grinder’, will plow us through a collection of quick hit imagery from all Official Selections of Eastern Oregon Film Festival's eleventh year of programming.
